

Proposal acronym: MANUNET III

Proposal full title: ERA-NET ON ADVANCED MANUFACTURING TECHNOLOGIES

Grant agreement no.: 721267

Grant agreement for: ERA-NET COFUND

Joint Statement about project extensions in Manunet III CO-FUND 2017,  
2018 and 2019 calls.

Date of publication: 20.02.2020

Start date of project: 1<sup>st</sup> October 2016

Duration: 60 months

Dissemination Level: Public

The funding agencies that participate in Manunet Transnational calls agree on modifying the condition stated in the call guidelines about project duration: *“the project duration should be appropriate to the objectives of the research, but not exceeding 24 months in total”*, and allow to open a procedure for the request of project extensions.

The procedure that must be followed is the following: the Coordinator/partner of the project must inform its own funding agency that one or more partners request a project extension. The funding agency must inform all the funding agencies involved in the project and Manunet Secretariat that one or more partners request a project extension. Each agency will inform its own beneficiary about the approval of the project extension.

Only extensions of no more than 12 months for the preliminary duration of the funded projects will be accepted. The duration of the extensions is subject to national/regional regulations and project partners are strongly advised to contact their regional/national contact person and request information on the specific national/regional requirements.
